ACCESSING THE PORTAL

☐ Login to https://videoexpress.purdue.edu/ using your Purdue Career Account

LOCATION MAP FUNCTIONS

1. Clicking on Location Map tab will take you to a Google map of the West Lafayette campus by default. There is a dropdown box on the screen to choose the Calumet or Anderson locations if you need them. Listed under the campus are the Video Express room descriptions.

2. If you click on the name, it will animate the pin in the map, and the Hours and Contact Information will be displayed for that location.
