# eInstruction Classroom Performance System (CPS<sub>RF</sub>) CPS Response Pad Registration Blackboard Vista 4

*My professor is using Blackboard Vista 4. How do I register my CPS Response Pad for my class?*

1. Point your web browser to the Blackboard login page:

Blackboard Vista 4: <http://www.itap.purdue.edu/tlt/blackboard/>

2. Login to Blackboard. Select your course using the CPS Pads. Follow the CPS registration link.  
Note: link names may vary by course.

3. Type your serial number (always begins with the letter “r”) into the “CPS Response Pad Serial Number” text field. You do not need an Enrollment or Coupon code. If you have used a CPS pad prior to this course, you may use that username and password once again. If not, please choose a username and password combination.
